

ACWS™

advanced car wash systems

Featuring

by Ecolab

Hard on dirt. Easy on earth.™

Blue Coral® Beyond Green is the industry's premier certification program aimed at assuring regulatory compliance as well as addressing the carwash consumer's desire for environmentally responsible choices. Ecolab's approach to sustainability goes beyond green chemistry to include water and energy use, waste reduction and worker safety from manufacturing and transport, to the products' end use and disposal.

Complete Surface Protectant

Designed to work on multiple vehicle surfaces, including glass, paint, trim and chrome, Rain-X® Complete Surface Protectant delivers increased shine, water repellancy and more durable protection. The resulting effect is that vehicles washed with Rain-X® Complete Surface Protectant appear cleaner and shinier than ever before, even after rainstorms. The powerful retail brand of Rain-X®, combined with its unmatched performance helps differentiate your car wash, adds value and drives revenue and profit growth!
